Hello, Heat Families! I am so very excited for our very first **Palmetto Heat Day of Service** on Sunday! Of course we are well aware that this is a very busy season to host the first service day, but would love for everyone who can make it to join us dedicating a couple of hours to our community. I have outlined the details of our day below – I apologize for the lengthiness but there is a lot to share. Please contact me directly if you have any questions.

YCHS SOFTBALL FACILITY

We have been blessed to have been able to utilize the YCHS softball fields for our practices and events for the past year. Head Varsity Coach Danny Mazzell has been very gracious supporting our program. As a small token of our appreciation, there are a few small projects to help out with while we are there on Sunday:

- Clean trash around the facility
- Clean up around the cages and dugouts
- Pull weeds
- Clean out Locker room

We will need a couple of people to bring leaf blowers. All other supplies will be provided.

Let's do this, HEAT!
